WENT ON CRUTCHES

UNTIL DR. WILLIAMS' PINK PILLS CURED HIS RHEUMATISM.

A Printer Tells of the Accidental Way in Which He Learned of the Remedy That He Praised.

"Some years ago," says Mr. W. H. Clark, a printer, living at 612 Buchanan street, Topaka, Kans., "I had a bad attack of rheumatism and could not seem to get over it. All sorts of medicines failed to do me any good and my trouble kept getting worse. My feet were so swollen that I could not wear shoes and I had to go on crutches. The pain was terrible.

"One day I was setting the type of an article for the paper telling what Dr. Williams' Pink Pills had done for a man afflicted as I was and I was so impressed with it that I determined to give the medicine a trial. For a year my rheumatism had been growing worse, but after taking Dr. Williams' Pink Pills I began to improve. The pain and swelling all disappeared and I can truthfully say that I haven't felt better in the past twenty years than I do right now. I could name, off hand, a half-dozen people who have used Dr. Williams' Pink Pills at my suggestion and who have received good results from them."

Dr. Williams' Pink Pills are guaranteed to be safe and harmless to the most delicate constitution. They contain no morphine, opiate, narcotic, nor anything to cause a drug habit. They do not act on the bowels but they actually make new blood and strengthen the nerves. If you want good health you must have good blood.

Dr. Williams' Pink Pills cure rheumatism because they make rich, red blood and no man or woman can have healthy blood and rheumatism at the same time. Rheumatism is a disease of the blood and to cure it you must treat it in the blood. Every part and every tissue of the body is dependent on the blood for health. Dr. Williams' Pink Pills actually make new blood. That is why they have cured so many cases of anemia, neuritis, sciatica, partial paralysis, locomotor ataxia and other diseases that have not yielded to ordinary treatment. All druggists sell Dr. Williams' Pink Pills or they will be sent by mail, post paid, on receipt of price, 50 cents per box, six boxes for \$2.50, by Dr. Williams' Medicine Co., Schenectady, N. Y.

CHILD IS MADE BLIND BY LIGHTNING FLASH

Eyelids Sealed, and Physicians Have Thus Far Been Unable to Restore Her Vision.

New York, May 11.—The eyelids of a New York girl, 11 years old, of Newark, N. J., have been sealed by a flash of lightning, and she is sightless, despite all efforts to restore her vision. Physicians in the City Hospital, however, are hopeful of her recovery.

While Irma was at play with her mother last Saturday a storm arose, and frightened by a clap of thunder the children scampered for their homes. As Irma was about to enter the door a streak of forked lightning gave her a severe shock. Then all was dark around her, and she had to grope her way into the house.

Her mother found that the child's eyelids were sealed. Home-made lotions were applied, but without avail, and the next morning Irma was taken to the hospital. The physicians say they never had a similar case.

TO KILL THE DANRUFF GERM.

Is the Only Possible Way of Having an Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have thin brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send 50c. in stamps for sample to The Herpicide Co., P. O. Box 100, New York.
